

Suns Tag Footy

"Spirit of the Game"

Welcome, teams, to Tag Round ##. Before we start, let's review the Tag Footy "Spirit of the game". Tag is a coed *non-contact*, recreational league that values fun, safety, and learning over competitiveness.

We ask you veteran players to act as facilitators of the game, to use an effort equal to your direct opponent, and to strive to ensure the safety of all players around you. We ask you new players to give your best effort, ask questions, and not be afraid of making mistakes.

Footy is a team sport. Sharing the ball ensures optimal team play and allows all players to get a piece of the action.

Lastly, we ask everyone to treat all teammates, opponents, and umpires with respect. So let's have fun, let's be safe, and let's play tag footy.
